

Using Video to Enhance Early
Intervention Services

ENCORE PRESENTATION...

The Early Start Webinar Series

To address the needs of Early Start during the coronavirus pandemic, this Webinar Series offers:

- **Telepractice Series** which focuses on web-based strategies to support the development of infants and toddlers in Early Start.
- **Wellness, Mental Health, and Resilience Series** which focuses on preventing, recognizing, and addressing stressors for children, families, and professionals.

**December 2020
thru May 2021**

Register now for the **repeat** Webinar in the Telepractice Series, *Using Video to Enhance Early Intervention Services*

Larry Edelman, Senior Clinical Instructor, Pediatrics-JFK Partners
Wednesday, January 6, 10 a.m.-12:30 p.m.
