

We are looking for  
family members or  
community members  
who support  
individuals with Autism  
Spectrum Disorder  
(ASD)

## Increasing access and reach for families with children at-risk or diagnosed with ASD

We are currently recruiting focus group participants to share their opinions on the needs of families of individuals with Autism Spectrum Disorder. If you are interested, please consider participating in a focus group:

- One-time 1-hour meeting
- Option of participating in a Virtual or In-person meeting (*times and location based on input*)
- Receive \$50 for sharing your thoughts
