

REGIONAL CENTER OF THE EAST BAY
JOB DESCRIPTION

POSITION TITLE: Staff Physician

SALARY RANGE: \$5,337.09 - \$7,152.21 Bi-weekly
\$138,764.34 - \$185,957.46 Annual

REPORTS TO: Manager, Intake, Assessment and Outreach

LOCATION: San Leandro, CA.

DUTIES: Client Centered Activities

1. Provides medical assessment for individuals referred to RCEB's intake and assessment unit. Assessment may include evaluation, review of pertinent medical records, and consultation with assessment team and current providers.
2. Performs history and physical examination on new and existing clients, when indicated to evaluate and determine medical and developmental status.
3. Communicates with community physician and health agencies to obtain and share information and facilitate or arrange for additional treatment. Monitors client's health status to ensure that level of medical supervision is adequate.
4. Participates with and provides consultation to case managers and interdisciplinary teams, to make recommendations for on-going case management.
5. Provides consultation to health professionals and agencies in regard to developmental and health status and needs of an individual client.
6. Serves as advocate to ensure that adequate and appropriate health services are made effectively available to developmentally disabled individuals.

DUTIES: Community Centered Activities

1. Provides education and general consultation for case managers/assessment counselors and other Regional Center Staff.
2. Works with community professionals and agencies towards increasing the developmental disability care expertise in the community.
